

# Logging Into Google Classroom Using The Google Classroom iPad App

Step 1 –

Open the Google Classroom app.

If this screen appears, press GET STARTED.

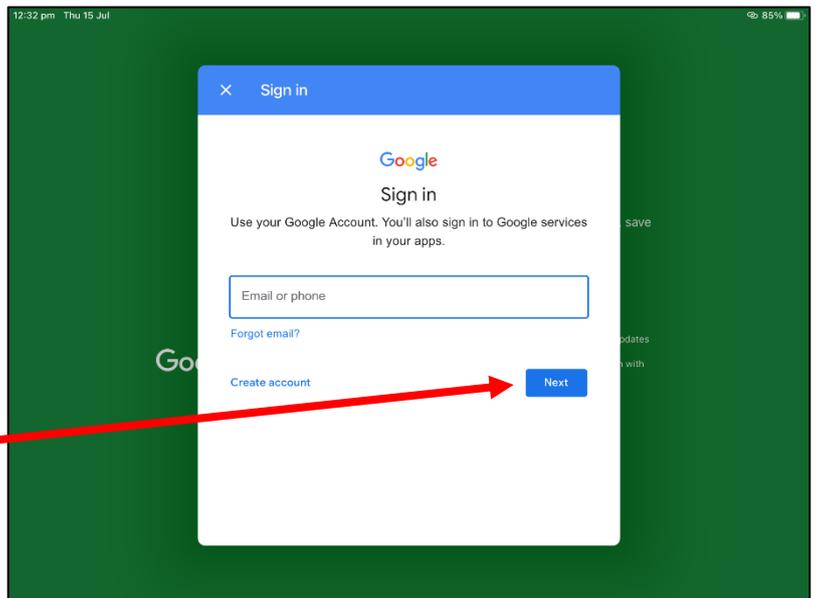

Step 2 –

At the Google login screen, students must *type* in their **username** followed by **@education.nsw.gov.au**

For example:

john.smith12@education.nsw.gov.au

Then *press next*.

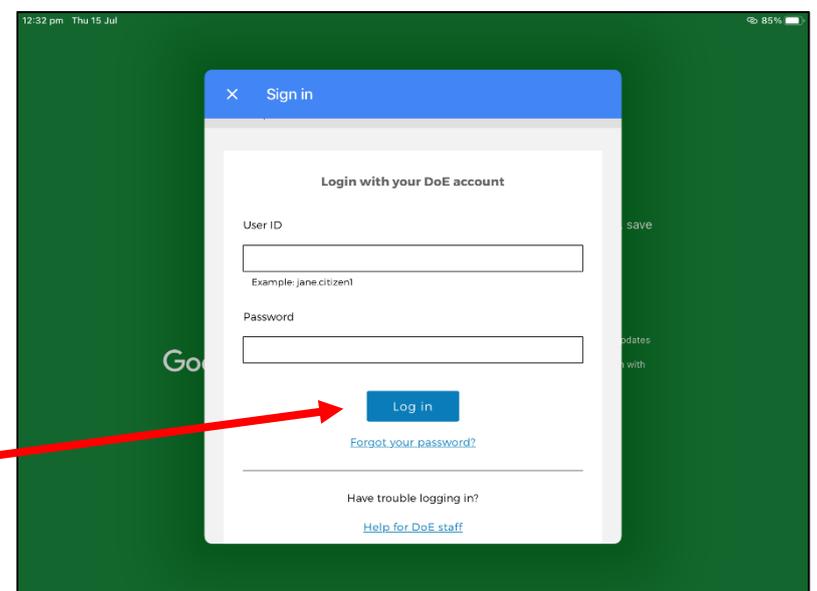

Step 3 –

The DoE (Department of Education) login box will appear.

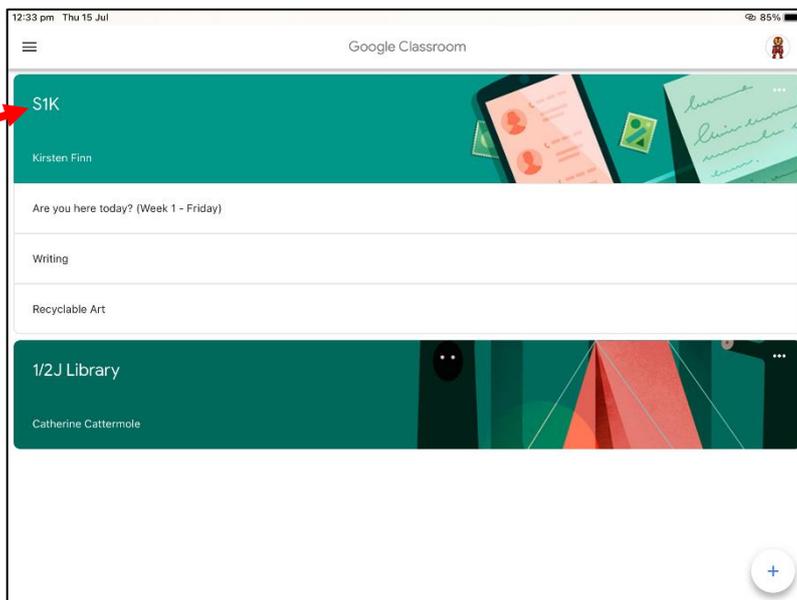

Students *type* their **username** in the first box and their **password** in the second box.

Then *press Log in*.

Step 4 –

The student can now select their class.  
If it is not the correct class, please notify the school via the school email.

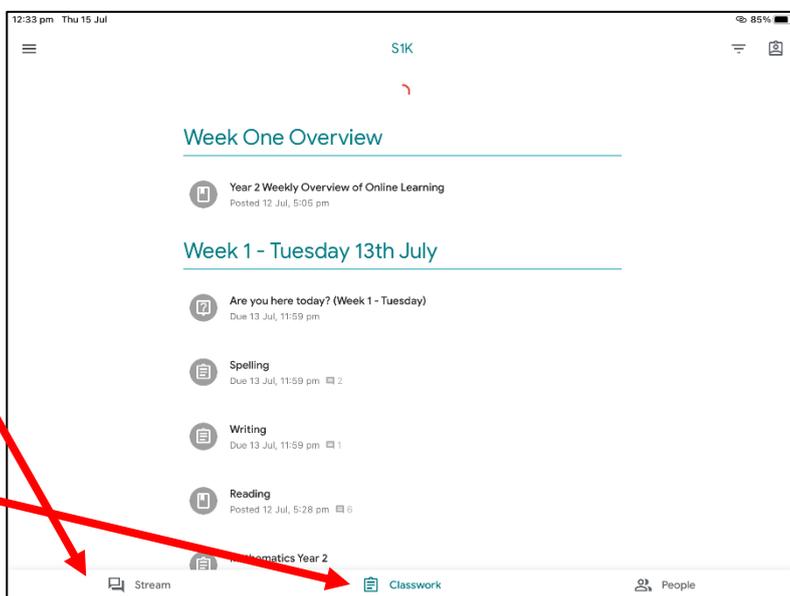

Step 5 –

Use the tabs at the bottom of the screen to see the different sections of the classroom.

In the **stream** section you will see messages communicated from the stage teachers.

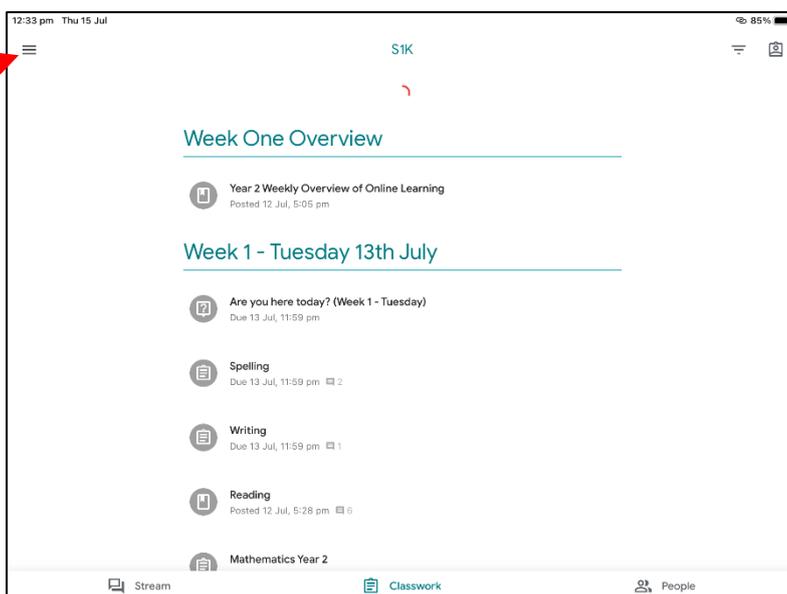

In the **classwork** section is where you will find the daily tasks for learning.

## Adding A Sibling Account Using The Google Classroom iPad App

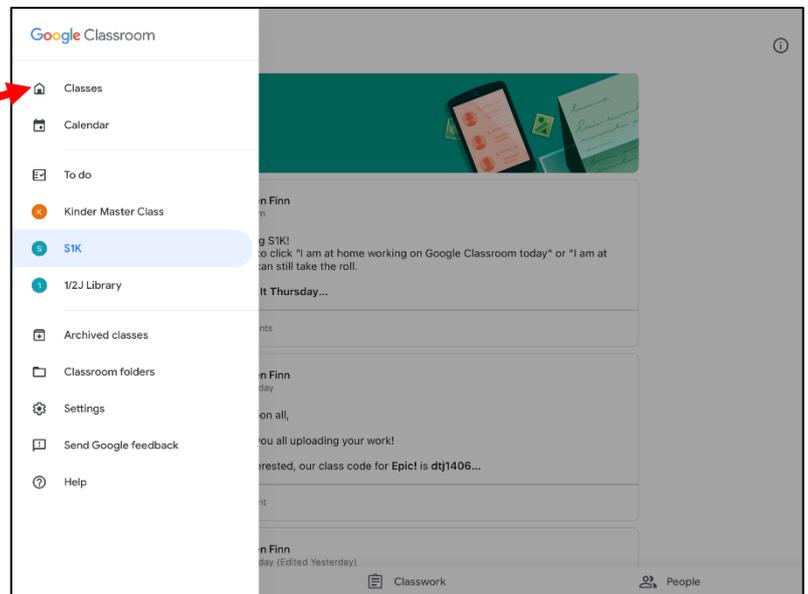

Step 1 –

Press on the three lines in the top left corner.

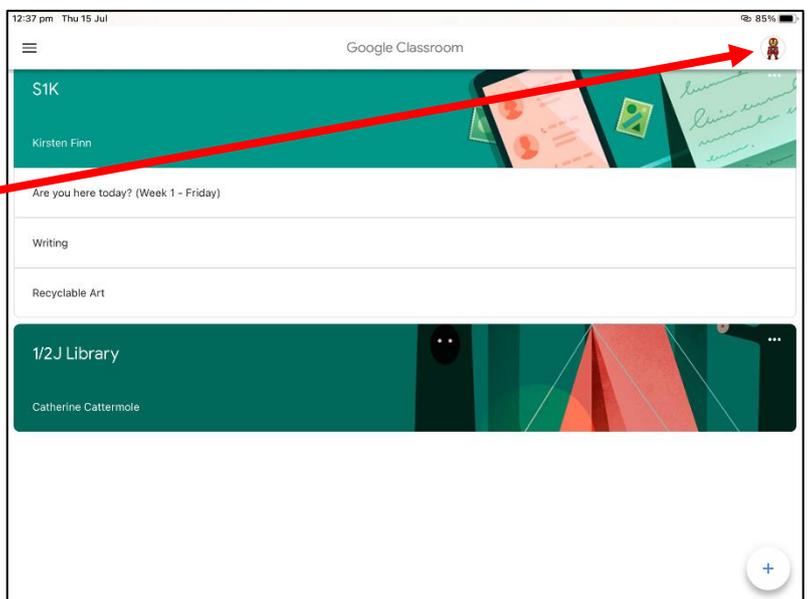

Step 2 –

Press on Classes.

Step 3 –

Press on the image in the circle in the top right corner of the screen.

Step 4 –

Click on add another account.

Then follow the steps for 'logging into google classroom'.

When you need to change back to the previous sibling account, follow these 4 steps again but instead click on the siblings account that will appear in this screen.
