Upper case A

The upper case 'A' is a tall letter.
We make the upper case letter 'A' in different way to the lower case 'a'. We start at the top and make a straight line. Next we go back to where we started and make another straight line. Then, we make a line to join them.
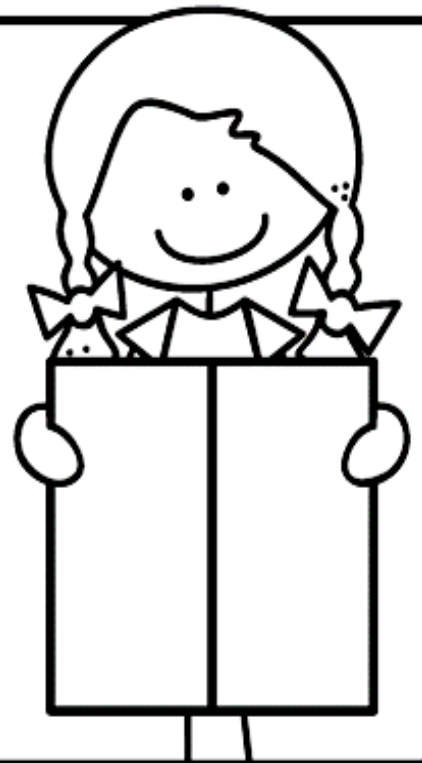

Example mnemonic: Down, down, across!

Lower case a

The lower case 'a' is a short letter.
We start at the top and move around to make a round shape and come back to where we started. We keep our pencil on this point and then make a straight line to finish the letter.
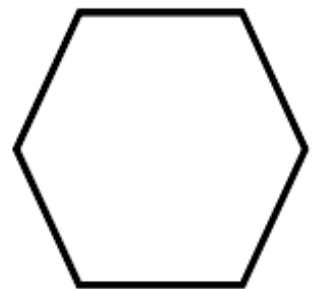

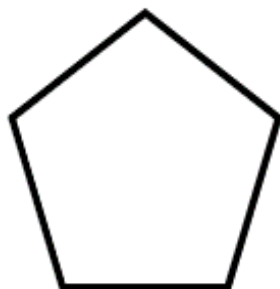

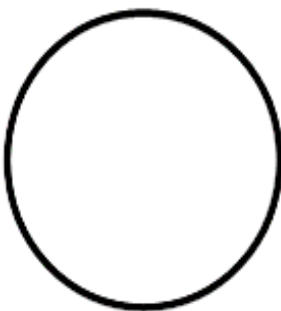

Example mnemonic: Around, up, down!
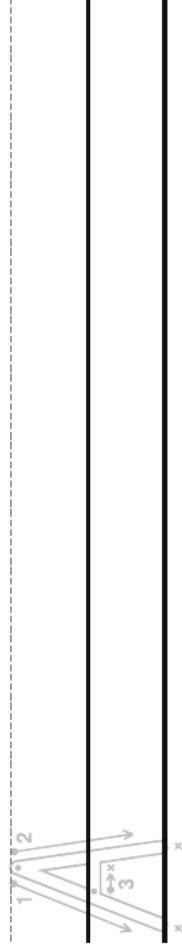

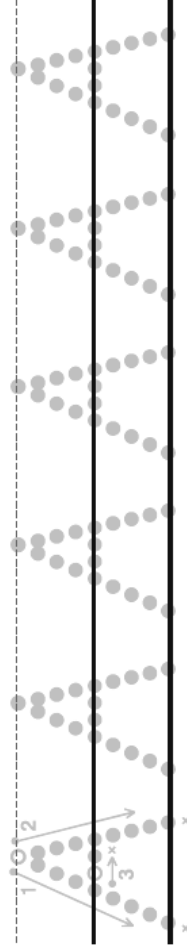

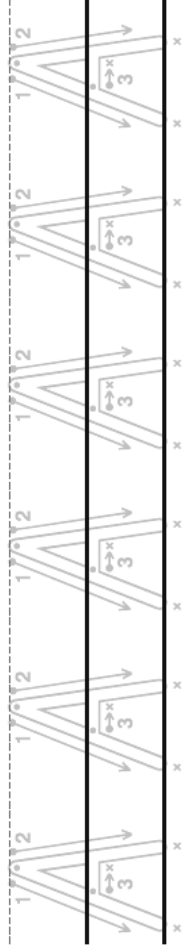

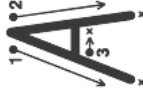

Halves

Halves are 2 equal parts of a whole.

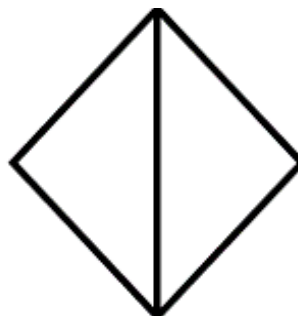

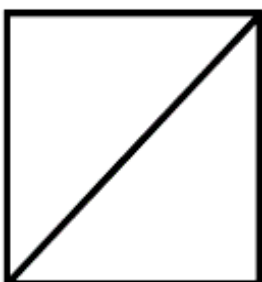

Colour the shapes that been cut into halves.
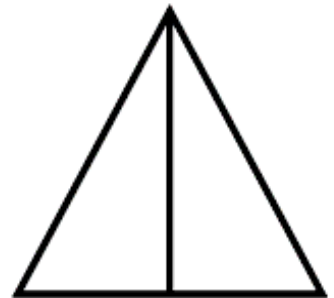

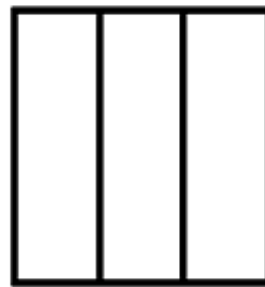

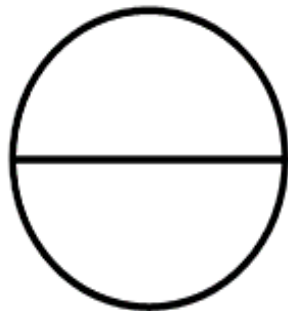

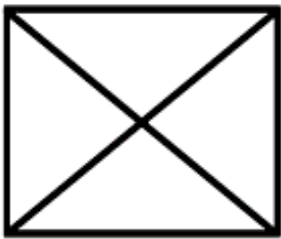

### Cut these shapes into halves.

Colour one half of each shape.
