at et it ot ut	it's make back day	Money

The following schedule is based on the work provided to kindergarten students on a regular day at school. Links to online material have been included but do not necessarily need to be completed. Highlighted activities have been included as suggestions for students who do not have access to a printer. We understand that the completion of this amount of work may not always be achievable and stress that this is simply a guide of what **can** be done.
